In Albanian language verbs are different from English language, so as you see in the given above verbs! We have more rules & endings and different type of conjugation of each verb. So just take any regular verb and add it to the ending above, for example our verb mesoj (to learn), its stem is "meso", plus the ending above becomes unë meso-va (I learned).

Albanian verbs - International Albanian Language Course

However, don't expect a solid tome containing 501 verbs fully conjugated, because that is not how it is. Nevertheless, I find this slim volume an extremely useful reference book. "Albanian Grammar; Albanian Verbs Explained" is exactly what it

Albanian verbs, like those of other Balkan languages, have an "admirative" mood (mënyra habitore) that is used to indicate surprise on the part of the speaker or to imply that an event is known to the speaker by report and not by direct observation. In some contexts, this mood can be translated using English "apparently".

Albanian language - Wikipedia

Albanian Adjectives are words that explain or change another individual or thing in the phrase Grammar Tips : While in English an adjective does not modify when the noun changes, in Albanian an adjective should agree the the noun in number and gender of it.
