Creating Capabilities, however, affords anyone interested in issues of human development a wonderfully lucid account of the structure and practical implications of an alternate model. It demonstrates a path to justice for both humans and nonhumans, weighs its relevance against other philosophical stances, and reveals the value of its universal guidelines even as it acknowledges cultural difference.

Creating Capabilities: The Human Development Approach ...

Martha Nussbaum's Creating Capabilities is a powerful statement on ways in which societies can promote justice through encouraging the development of certain capacities that are essential to what it means to be a human being. Nussbaum gives a list of what she calls the "Central Capabilities," capabilities without which people cannot flourish in a decent society and which would make for necessary conditions for the society to be called just.

Creating Capabilities: The Human Development Approach Martha C. Nussbaum The University of Chicago I found myself beautiful as a free human mind. Mrinal, in Rabindranath Tagore's "Letter from a Wife" All over the world, people are struggling for a life that is fully human, a life worthy of human dignity.

Creating Capabilities: The Human Development Approach

" In her new book, Creating Capabilities, the philosopher and legal scholar Martha Nussbaum argues that we need to refocus our ideas about development on the scale of individuals: on concrete human lives and the way they actually unfold. Quantitative measures like per capita GDP, she writes, are poor measures of development; they can ' t capture the shape and texture of individual lives, even though individual lives are what matter.
