Granada in Andalusia, Spain has a unique culture, a reflection of its Moorish past. Granada is the city of Lorca, the greatest of Spanish poets, and you can see the ancient Arch of Elvira referenced in his work. There's lots of flamenco played here too – in bars and restaurants and a festival is held in the caves of the Sacromonte district.

Material culture emerges from and is shaped by the non-material aspects of culture. In other words, what we value, believe, and know (and what we do together in everyday life) influences the things that we make. But it is not a one-way relationship between material and non-material culture. Material culture can also influence the non-material aspects of culture.
