DK Eyewitness guides are my favorite no matter what country or city I'm in. The color photographs, useful knowledge and history of each place, the diagrams of the insides of large museums or churches, and the general information about hotels, money, transportation, and food make them invaluable while traveling.

The DK Eyewitness Travel Guides are my favorite travel books. No matter where we go- Italy, England, Mexico- these books are priceless. They provide detailed information by region with information on attractions, the area, food, culture, etc. The city books instead of country books are great as well (We bought the Rome book a few years ago).
