databases and word processing. Covers all learning outcomes, both theory and practical applications. Contains many up to date applications, in a International context. Includes a wide range of practicals, activities and exercises for self-study, examination style questions and summaries to aid revision. Includes a glossary and clear definitions of the necessary technical terms. Provides clear guidance on designing and completing the coursework component.

The Cambridge IGCSE Chemistry Revision Guide supports students through their course, containing specifically designed features to help students apply their knowledge as they prepare for assessment.

This Student Book provides a grammar-led approach with extensive exam preparation to develop independent, culturally aware students of German, ready for the exam. This book is endorsed by Cambridge International Examinations for the latest IGCSE® (0525) and International Level 1/Level 2 Certificate (0677) syllabuses. Extensive use of German reflects the style of the exams and, with specific advice and practice, it helps students use the acquired skills to their best ability. Topics on German-speaking cultures are integrated throughout to ensure students gain the cultural awareness that is

revision guide covers the Cambridge IGCSE® Business Studies syllabus (0450), as well as the Cambridge O-Level syllabus (7115), both for first teaching in 2018 and first examination in 2020. * Clear and concise syllabus coverage, with key definitions and concepts highlighted.* Topics in short, user-friendly sections to help you plan your revision in manageable chunks.* Revision tips provide essential assessment guidance.* The Revision Guide will follow a spaced practice model of learning with three different practice opportunities. Recent research into revision methodologies has cited repeated practice testing and spaced practice as having the highest efficacy - this is consistently found to be high-yield in terms of knowledge retained in relation to the time invested.* Quick tests with every topic, so you can check your progress - practice opportunity 1.* Exam-style practice questions at the end of every chapter develop your exam skills - practice opportunity 2.* Mixed exam-style questions cover a mix of questions for all the different topics in the book - practice opportunity 3.* A supporting glossary with easy-to-understand definitions of key terms.

This revision tool is a must for all Cambridge IGCSE Maths students. It can be used as an ongoing reference book or as an aid for final exam preparation. All areas of the CIE syllabus are covered and examples are
