ESSENTIALS OF BUSINESS COMMUNICATION provides a four-in-one learning package: authoritative text, practical workbook, self-teaching grammar/mechanics handbook, and premium Web site. Especially effective for students with outdated or inadequate language skills, the Ninth Edition offers extraordinary print and digital exercises to help students build confidence as they review grammar, punctuation, and writing guidelines. Textbook chapters teach basic writing skills and then apply these skills to a variety of e-mails, memos, letters, reports, and resumes. Realistic model documents and structured writing assignments help students build lasting workplace skills. The Ninth Edition of this award-winning text features increased coverage of electronic messages and digital media, redesigned and updated model documents to introduce students to the latest business communication practices, and extensively updated exercises and activities. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Business Communication: Process and Product, brief edition takes students through a well developed, consistently applied approach to communication that is combined with integrated application of current and emerging business technologies. Students learn a process for solving future communication problems, and how to use the Internet and electronic media to deliver their messages, resulting in a tangible communication strategy they can use throughout their careers. NETA

**BUSINESS COMMUNICATION: PROCESS AND PRODUCT, 9E** prepares readers for success in today's digital workplace. This book introduces the basics of communicating effectively in the workplace, using social media in a professional environment, working in teams, becoming a good listener, and developing individual and team presentations. Authors Mary Ellen Guffey and Dana Loewy also offer a wealth of ideas for writing resumes and cover letters, participating in interviews, and completing follow-up activities. Optional grammar coverage in each chapter, including a comprehensive grammar guide in the end-of-book appendix, helps readers improve critical English language skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A brief text with a strong focus on skill development **Essentials of Human Communication** shows how human communication skills apply to the real-world and the workplace. The text presents the fundamental skills of interpersonal, small group, and public communication while emphasizing human communication skills, cultural
