Now available in paperback! Until now, there was no theoretical research of character in children's fiction and very few comprehensive theoretical studies of literary characters in general. In her latest intellectual foray, the author of *From Mythic to Linear* ponders the art of characterization. Through a variety of critical perspectives, she uncovers the essential differences between story ('what we are told') and discourse

This manual lymph drainage guide covers the anatomy, physiology, and pathophysiology of the lymphatic system, providing key background information necessary for effective treatment. Chapters are structured according to anatomic regions, focusing on the lymphatic knots and their tributary regions in the throat, armpit, trunk, and groin. Photographs illustrate the lymphatic knots and lymphatic courses, which are drawn on the human body, and provide a clear picture of the structures to be treated. Designated points are numbered to illustrate the progression of treatment in each region. Also

includes coverage of complete decongestive therapy (CDT). Explains procedures in a detailed, step-by-step format. Features a helpful chart of lymph node groups and their tributary regions that outlines each lymph node as it pertains to a specific anatomical region. Key information is summarized in the margins, making it easier for readers to review what they've read and focus on important topics. Self-test questions provide an excellent means for readers to assess their comprehension and review key material in the book. These questions are also helpful in preparing for exams. Two-color illustrations help the reader visualize and learn theoretical aspects of this therapy. The text has been completely updated to reflect the latest techniques in lymph drainage therapy. Coverage of individual treatment strokes

the centre of New York's famous Broadway theatre district and is the place where millions of people come together to bring in the New Year. Times Square makes up most of the western midtown Manhattan area. In the 1800s the area was known as Longacre Square. It housed horse exchanges and stables, carriage factories, blacksmith's shops and upscale brothels. In 1904, The New York Times moved in and established one of the tallest buildings in the city. The newspaper convinced the city to create a subway stop there and to rename the area 'Times Square'. When the new building was opened on 31 December 1904, the newspaper celebrated by holding a public New Year's Eve celebration in the square, complete with fireworks. This tradition is still carried on today. So the New York Times had a significant
