GE Digital Energy Smallworld Training Center
Documentation for Smallworld is typically installed with the software itself, and it was (up to at least 4.2) in Windows Help format. The documentation is pretty good and covers user guides, programming, database administration and so on, but I don't think you'll be able to access it without a Smallworld licence.

Is there any learning material available for GE Smallworld?
GE's Advanced Gas Path (AGP) is a great example of Power FlexEfficiency at work, setting new standards in performance. By combining design innovations, materials advancements, and proven model-based control software, the Advanced Gas Path enables GE gas turbine customres to benefit from dramatic output and efficiency improvements, while extending maintenance intervals and maintaining low ...
