Young Person's Guide to the Orchestra

An orchestra has a traditional sound involving the brass, woodwinds, strings, and percussion. One hears orchestral music in concert halls and also in film scores, pop music, and even video games. Symphonic music employs the full power of an orchestra in a lengthy work usually consisting of four movements or sections called a symphony. In symphonic music, the musicians play many notes at the same time.

Your guide to live streaming The Florida Orchestra. If you've already got tickets to a Florida Orchestra concert at the Mahaffey Theater, great! We'll see you then. If you're not quite ready for the concert hall, prepare to welcome The Florida Orchestra into your living room.

Provides information about the history of the orchestra since its beginnings in the seventeenth century, instruments of the orchestra, and famous composers of classical music.

Includes spoken commentary.

The String Player's Guide to the Orchestra includes orchestral repertoire, excerpts, scales and studies for string orchestra as well as individual study. The works may be played individually or in ensembles and the music selections work within a wide range of student ability levels. The book focuses on phrasing, technique and musical styles and provides a unique entry into performance music preparation with right- and left-hand studies using authentic orchestral excerpts.

There they are. Those seventy or ninety or two hundred (if it's the movies) happy members of the symphony. Such ensemble, such beauty, such romance. In An Adult Guide to the Orchestra, Juilliard-trained violinist Sheldon Kurland takes a hilariously close look at these musicians and the instruments they play. From the much maligned violists to the quirky habits of conductors, each member of the orchestra is explained in detail, accompanied by delightful, light-hearted illustrations. Kurland's first-chair seat gives him the perfect perspective to cast a humorous light on serious music. Perfect for the aspiring musician, the seasoned professional, or any classical music lover, An Adult Guide to the Orchestra is a small gift book that will sell 1,243,789 copies plus three to trombone and viola players.

A fresh introduction to music and the orchestra for children, this comprehensive guide covers everything you need to know about the subject. It includes a free downloadable app that allows you to interact with the orchestra and listen to Britten's music, performed by The Royal Northern College of Music Symphony Orchestra, conducted by Sir Mark Elder. Music forms part of the curriculum taught in schools around the world. This book presents a fresh take on a traditional subject, and the instruments are brought to life with the digital element which means readers can see and hear what they put into practice at school.
