A Few Acres of Snow allows readers to experience early Canadian history in the words of those who first explored, created, and documented the nation. Providing coast-to-coast representation and featuring a diverse range of social groups, the editors offer a refreshing look at the major events leading up to and including Confederation. Throughout, they rely on a careful selection of personal, formal, and legal documents to tell the story, including early travel narratives, literary writings by Susanna Moodie and Catherine Parr Trail, government reports on slavery in Canada, official letters on Irish immigration, and newspaper articles and speeches on the creation of the Dominion of Canada in 1867. In this trim new edition, each document is introduced with biographical information about the creator. Brand new chapters discuss the Loyalists in Nova Scotia, the War of 1812, and the Beothuk. Also new is a guide to critically reading and engaging with historical documents.

I Married the Duke begins the Prince Catchers series by Katharine Ashe, award-winning author of historical romance. Arabella Caulfield, one of three orphaned sisters, has clung to an ancient gypsy prophecy as the only way to save her family from endless heartbreak. Now she has twelve days to reach a remote French castle and fulfill her destiny: to marry a prince. Along the way, Arabella meets Lucien Westfall, decorated naval captain and the new Duke of Lycombe. She thought he was a pirate. He thought she was a governess. Two wrongs have never made such a scandalously perfect right. Readers of Regency romances and the works of Eloisa James and Lisa Kleypas will fall in love with the Prince Catchers books by Katharine Ashe.
