Marriott has announced plans to open more than 30 luxury properties next year. They will be across brands including Ritz-Carlton, St Regis, The Luxury Collection, Edition and JW Marriott.

Marriott, hotels, resorts, business, hospitality, leadership, service, family In Without Reservations, global business leader and hotel industry icon J.W. " Bill " Marriott, Jr., shares both the story of and the recipe for the success of Marriott, one of the world ' s leading hotel companies. The company began with one family-run root beer stand and grew over eight decades, through his leadership, into a global corporation that is widely respected for the business it does and the way it does business. In 1964, on the eve of being named president of the company, Marriott ' s father, founder and then-CEO J. Willard Marriott, Sr., tucked a letter in his 32-year-old son ' s desk drawer. The letter contained insights that proved invaluable as Bill Jr. blazed the trail not only for his company, but for the hospitality industry as well. The letter, printed in this book, provides timeless advice for any person who aims to achieve success. Without Reservations is a compilation of engaging stories that takes the reader behind the scenes as events and decisions unfold.

Franchising helps learners develop a clear, realistic picture of franchising with insights designed to assist those entering the field. The book answers major franchising questions as it explores the franchiser-franchisee relationship using an unique, three-part perspective. Success stories throughout add practical knowledge and industry insights as well. Case studies help the reader analyze franchise situations and develop sound judgement in handling potential issues and problems.

The objective of this textbook is to teach students to be conversational in speaking " numbers. " This means understanding fundamental accounting concepts, developing solid financial analysis abilities, and then applying them to understand and improve the operational performance of their hotel or restaurant. The book will accomplish this by studying the current practices of some of today ' s leading hotel and restaurant companies. Chapters will be developed under the auspices of a select group of hospitality industry General Mangers, Directors of Finance, and Regional Accounting Managers to ensure that the information is current, accurate and useful. Understanding and applying the information will be the main focus of this book. This textbook should provide hospitality managers the knowledge and experience to be comfortable in using numbers to operate their departments. This includes developing the ability to perform all accounting and financial aspects of their position efficiently and correctly including revenue forecasting, wage scheduling, budgeting, P&L critiques, purchasing procedures and cost control methods. As a result, they will have more time to spend on the floor with their customers and employees. This knowledge will help them understand their operations and how to improve, change or expand them to increase revenues or profits.

Covering New York, American & regional stock exchanges & international companies.
