engaging and effective. It provides tools that make assessment easier, learning more engaging, and studying more efficient.

"The Humanistic Tradition is quite simply the finest book of its type. Fiero manages to integrate the political, cultural, and social history of the world into one coherent and fascinating whole. It is a masterpiece of scholarship . . . balanced, interesting, easy to read, and consummately beautiful. Our professors praise its accuracy and scope and our students unanimously say it is their favorite textbook." — Sonia Sorrell, Pepperdine University

The Humanistic Tradition features a flexible, topical approach that helps students understand humankind's creative legacy as a continuum rather than as a series of isolated events. This widely acclaimed interdisciplinary survey offers a global perspective, countless illustrations, and more than 150 literary sources. Available in multiple formats, The Humanistic Tradition explores the political, economic, and social contexts of human culture, providing a global and multicultural perspective which helps students better understand the relationship between the West and other world cultures.

engaging, and studying more efficient.

Interdisciplinary in approach and topical in focus, the sixth edition of *The Humanistic Tradition* continues to bring to life humankind's creative legacy. With more than 800 illustrations and some 150 literary sources in accessible translations, this widely acclaimed humanities survey takes a global perspective that is at once selective and engaging, and helps students better understand the relationship between world cultures. Available in multiple formats, *The Humanistic Tradition* examines the political, economic, and social contexts out of which history's most memorable achievements emerged.

Understanding that a global humanities course is taught in varying ways, Gloria Fiero redefines the discipline for greater flexibility with the 7th Edition of *The Humanistic Tradition*.
