9780078112775: International Business: Competing in the ...

International business refers to business activities that involve the transfer of resources (raw materials, capital and people), goods (finished assemblies and products), services (management consulting, financial services, insurance and education, etc.), knowledge and skills (managerial skills, intellectual property rights), or information (databases and networks) across national boundaries.

International Business: Competing in the Global Market ...

International business also increases competition in domestic markets and

Access Free International Business Competing In The

Global Marketplaces Charles
introduces new opportunities to foreign
markets. Global competition encourages
companies to become more innovative and
efficient in their use of resources. For
consumers, international business
introduces them to a variety of goods and
services.
