Here's What Others Are Saying: "One of the things, out of many, that the author was spot on about in this book was the "learning curve" of both internet marketing and network marketing. These two actions take some creativity and trial and error. The chapters were short but really had a lot of valuable information on the subject. The author was so kind as to give suggestions to different websites that one could use for the menagerie that it marketing, also I did not know that some of the biggest social networking sites had built in schedulers to schedule your posts. I have always used Hootsuite, which she also mentions. The chapter titled "Skills to Work On" was really helpful and brought together things and skills I never thought of or never thought of as important. If you are into social marketing, internet marketing or network marketing, this quick and concise book is a great guide to get you started!" ~Sara Linville "A short, fact-based and very informative book. This book is very helpful in order to create own website with step by step procedure for developing marketing and generating leads and customer online. I liked the part that tells on how to promote a product and earn commission through network marketing and affiliate marketing. Some social media sites are highly recommended by the author where we can do marketing. I also loved that author suggested some strategies and tips to develop our self skills in doing online marketing. Very supportive addition." ~David Grab your copy right now and become a digital network marketer today! \* Do you want massive MLM marketing success?\* Are you ready to take your MLM business to the next level?\* Are you ready to claim the lifestyle you and your family deserve?Think leads.Lots and lots of fresh MLM leads.Because leads are the name of the game, and you are just moments away from discovering just how easy it really can be to generate 100+ free online MLM leads per day and put your network marketing business on the fast track to creating wealth.Leads are the lifeblood of your business. So here we will focus on...\* Automated lead generation, not MLM prospecting\* Online attraction marketing, not pestering family & friends\* High leverage systems, not MLM scripts and scriptbooks\* MLM software, tips, tricks and inside secrets.After all, you may represent the best product, service or network marketing business opportunity in the world... but if you do not tell anyone about it... if you do not find a way to get your offer in front of a steady stream of new prospects on a daily basis... your business is dead in the water. Belly up in the fish bowl.\* Lack of leads is one of the top reasons why most people fail in MLM.Without leads you've got nothing.\* Lack of cash flow is another reason why most people fail in network marketing.Most people never make a dime in MLM, and most people quit within the first year... often walking away with less money in their pocket than they had to begin with.It's tragic, but true. And it certainly does not need to be that way.Since 1996, Rob Fore and his wife Lisa have built six profitable businesses working part-time in their spare time online. They have a team of over 11,000 active MLM distributors in one network marketing company and a team earning tens of thousands per month in yet another.Buy the book because success leaves clues and now it is your turn to generate 100+ MLM leads per day and get paid even when people do not join your team. It's time to build a business, not just a downline.

How to survive and become successful in your Internet Network Marketing and Home Based Business.Dear fellow network marketer and home based business owner, Welcome to Sponsored More Downlines. One reason I wrote this training book is because I want to share with you the experiences and best lessons learned in my network marketing and internet marketing career, and hopefully it helps you in doing your business successfully. In this book, I'll give you some of the best kept secret strategies of top internet network marketers that I've discovered and learned.I'll give you an outline of the exact formula I use to build successful internet network marketing and home based business using the internet and new tools with internet technologies.These strategies that I am going to share with you are very helpful in order for you to generate 10-50 leads (or qualified prospects) daily and can recruit up to 10 direct downlines per week, as long as I do not force my friends, relatives, and acquaintances convince them for my business, nor do I give flyers to people I know in the streets.I will provide you with EXACT strategies that you will learn how to leverage and power the Internet so you can create qualified prospects continuously and eventually sponsor them in your network marketing business or convert them into customers.Do you know that you are advantage than your competitors because of the new skills and strategies you will learn in this training book that 99% of all networkers do not know yet.We have many things to say but all of us are focusing on the reality that our industry has grown significantly since the internet has come. The old and traditional ways of MLM and network marketing prospecting

are not as effective as ever, and most of them are already obsolete. Most traditional tactics are just tiresome, activities that are not productive and cannot give a clear result. But the good news in this E-book is to have many new ideas to learn that you can apply your network marketing or home-based business. Ideas that you can help make you a successful in your business. If you try to promote your business in a traditional way but do not work for you, don't worry, because there are new and effective ways and strategies to build your MLM business more faster in our generation today. You can also start with networking, and it's better to do so by introducing you to effective strategies that you can apply and use immediately. Here's good news... The strategies I teach you will be much easier and more enjoyable compared to the traditional way of building a MLM business where we were taught to invite and treat nicely our relatives, Friends and acquaintances who are often not interested in the MLM business you are in. If you're like me, you'll probably also be able to give away flyers on the road and make fun of people you do not know for your opportunity. If you're doing these things, just a friendly advice, But stop it. Because base on my experiences and the many network marketers that have been talking with and friends, these cheap strategies are no longer effective. One of the reasons why many do not want networking is because of prospecting methods' too. They do not want to do such things.

The idea of network marketing is sold as a tool to make money based on an individual's own sales as well as sales from those recruited by the individual. This is of course a very lucrative way of garnering income thus the enthusiasm to recruit as many people as possible to join in the business the better.
