Rayuela, del escritor argentino Julio Cortázar, es sin duda una de las obras maestras de la literatura hispanoamericana contemporánea. No en vano su publicación, en 1963, marcó el punto de partida de lo que se conoce como el llamado boom latinoamericano. Calificada como antinovela, por su original estructura y su planteamiento surrealista, conviene tener presentes sus rasgos ...

This book offers interviews, reviews, tributes and articles to examine the works of Julio Cortazar with a biographical introduction.

One of the most influential figures in the Latin American literary boom of this century, this highlights the Argentine writer's superb stories, taking into account other works of fiction, miscellanea, and nonfiction to give a balanced overview of Cortazar's lasting accomplishments.

Author E. Joseph Sharkey uses the philosophies of language of Hans-Georg Gadamer and Ludwig Wittgenstein to counter the skepticism in question by showing that a language grounded in history instead of the transcendent is grounded nevertheless.

The Argentine Novel is a comprehensive bibliography of the Argentine novel from its beginnings in 1788, the year Miguel Learte wrote Las aventuras de Learte, until 1990, when such authors as Osvaldo Soriano and Luisa Valenzuela published their popular novels. In addition to novels, the bibliography includes works which may be considered under the rubric of short novel, such as "novela corta," which, in spite of its short length, partakes more of the novel than the short story in its basic literary conception, plot development, and narrative scope. Where possible, all editions of each novel or work are cited, as well as translations into foreign languages, and citations may be followed by one or more critical commentaries or select bibliographies of additional studies on the work or its author. This exhaustive work serves as the definitive guide to this genre in Argentine literature. A must for all collections that support comparative literature studies, Hispanic studies, or as a guide to popular reading.

A Study Guide for Julio Cortazar's "Blowup", excerpted from Gale's acclaimed Short Stories for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Short Stories for Students for all of your research needs.
