More than twenty years have passed since Walter Auffenberg's monumental The Behavioral Ecology of the Komodo Monitor. In the intervening years the populations of Komodo dragons¶native only to a handful of islands in southeast Indonesia¶have dwindled, sparking intensive conservation efforts. During the last two decades new information about these formidable predators has emerged, and the most important findings are clearly presented here. A memoir from Walter Auffenberg and his son Kurt is followed by the latest information on Komodo dragon biology, ecology, population distribution, and behavior. The second part of the book is dedicated to step-by-step management and conservation techniques, both for wild and captive dragons. This successful model is a useful template for the conservation of other endangered species as well, for, as Kurt and Walter Auffenberg note, ¶The species may well indeed survive in the wild for generations to come while countless other organisms are lost.¶

She's on the sheriff's most wanted list. Waking up with a naked woman holding a knife at his throat is just about the last thing Sheriff Travis Flynn expected. And the brother she's looking for? A murderer. And dead. Probably. But the real shock comes when she insists she's not a Lycan. LeAnn Wilcox isn't looking for love...especially not from some wolf in sheriff's clothing. She operates on the other side of the law. Once she finds her brother-alive-she'll get out of the pack's territory and go back to her regular, normal, non-furry life of changing jobs and her name whenever her past closes in. The cool, logical Sheriff has finally met his match, but LeAnn's life is at stake if she won't claim her place in the pack, especially once his control over the pack is challenged and her brother's fate is questioned.

Every Canadian town has a hockey story, and Ron MacLean has a hockey story for every town. A new book by the co-author of the national bestseller Cornered. When you first meet Ron MacLean, he asks where you're from, and he always comes back with a story. No one has crossed this country more than MacLean. In his 28 years on Hockey Night in Canada and now as host of Rogers¶ Hometown Hockey, Ron has met fascinating people from coast to coast and has great stories to tell. Now, in this new book, MacLean is back, with brand new tales from across the country. These are stories you've never heard before. From London to Castlegar, Yellowknife to Cole Harbour, Medicine Hat to Trois Rivières, from Bantam to Junior B to the NHL, our country is full of great characters: Players, coaches, hockey moms and hockey dads; rivalries, practical jokes, careers that grew out of nothing and "can't lose" prospects who flamed out too soon; spectacular triumphs, heart-breaking tragedies and tales of friendship, betrayal, love and loyalty;¶all compelling, entertaining and inspiring. Once again working with Kirstie McLellan Day, co-author of the blockbuster bestsellers Playing With Fire, Tough Guy and Cornered, this is MacLean at his finest.

A magical and emotionally powerful novel from the Sunday Times bestselling author Susan Sallis, perfect for fans of Maeve Binchy, Fiona Valpy and Rosamunde Pilcher. READERS ARE LOVING NO MAN'S ISLAND, THE SUNDAY TIMES BESTSELLER! "This is my first Susan Sallis book and it certainly won't be my last." - 5 STARS "Couldn't put it down." - 5 STARS "I loved the way the story had a twist at the end. Great book." - 5 STARS ***** ON A WILD AND WINDSWEPT ISLAND, THE SECRETS OF THE PAST UNRAVEL... When she hears the news of the death of her ex-husband, Binnie feels like her tranquil life in the West Country is over. To her surprise, she discovers that he has left her the island in the beautiful archipelago off the coast of Cornwall and the dilapidated house where he spent his childhood, and Binnie has to take her family to the island - revisiting it for the first time in years - and work out what to do. As she becomes involved in the life of the island, and its inhabitants, she has to embark upon a whole new life and discovers many things about her husband - and her own past - that will change everything forever...

Targeted for assassination after doing a story on an attempt by the Arapaho and Cheyenne tribes to file a claim on their ancestral lands, Denver reporter Catherine McLeod uncovers a conspiracy involving her ex-husband's wealthy family and state politicians.

The last thing he wanted was to fall for a witch... Veterinarian Kat Ramsey hasn't a clue that she's a witch. Sure, she can read minds, and there's the whole ¶dimension-hopping¶ issue that she can't quite control, but Kat is determined to keep things normal. That is, until she accidentally hops into the Otherworld and runs into Matthew Ryan?the seriously hot one-night stand from years ago who shoved her out of his dorm. Naked. And there's the tiny matter of the curse she gave him. May you never find satisfaction with another woman. Billionaire and former druid Matthew Ryan hasn't forgotten the curse, or the witch who gave it to him. Kat's unexpected return means the curse will finally be broken. Unfortunately, his libido has other ideas?like how to get her back into his bed one last time. But far more worrying is his suspicion that Kat is the seventh Pleiades witch. Because while he's turned his back on his druidic ways, he's still bound to protect the woman who made his life hell. Each book in the Keepers of the Veil series is STANDALONE: * Protecting His Witch * His Witch to Keep * Playing the Witch's Game

Abandoned by a rogue Betrothed to an earl she had never met, Charlotte Haversham arrived at Balfurin, hoping to find love at the legendary Scottish castle. Instead she found decaying towers and no husband among the ruins. So Charlotte worked a miracle, transforming the rotting fortress into a prestigious girls' school. And now, five years later, her life is filled with purpose!until . . . Seduced by a stranger A man storms Charlotte's castle¶and he is not the reprehensible Earl of Marne, the one who stole her dowry and dignity, but rather the absent lord's handsome, worldly cousin Dixon MacKinnon. Mesmerized by the fiery Charlotte, Dixon is reluctant to correct her mistake. And though she's determined not to play the fool again, Charlotte finds herself strangely thrilled by the scoundrel's amorous attentions. But a dangerous intrigue has drawn Dixon to Balfurin. And if his ruse is prematurely revealed, a passionate, blossoming love affair could crumble into ruin.

Scott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to escape the Sebastians. I already knew they owned this city. Now I'll find out if they also own their son.
