imaginative texts that can help to create global, networked discourses not only among different professions but also among different cultures and social groups. Conducting interviews online, over a period of weeks or months, allows the participants to compose documents of depth and

Download Free Laude E6520 Manual

breadth, rather than simply snapshots of timely references. The interviews collected in this book are with artists, critics, and theorists who are intimately involved in building the content, interfaces, and architectures of new media. The topics discussed include digital aesthetics, sound art, navigating
