art—Dale Carnegie. Featured within this classic manual are hundreds of tips and tricks on how to become an efficient and effective public speaker. One of the core ideas in his books is that it is possible to change other people's behavior by changing one's reaction to them. This is a fascinating work and is thoroughly recommended for everyone.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

"A Systems Approach to Small Group Interaction" pioneered the systems approach and is the only book that integrates all important small group topics into a single comprehensive conceptual model. The text also features a unique systematic organization. Each chapter begins with a brief preview, followed by a glossary of terms, a real life case study, and then the chapter text material; next comes several experiential exercises for skill development, and finally the chapter concludes with two original readings.

Steen/Noe Fifth Canadian Edition has been written to make HR more accessible to students, more reflective of their situation, and more about them. Today, every manager is "in HR", and every employee is actively engaged in the process of HRM, regardless of whether they aspire to be a manager or an HR professional. Students will experience HRM every day of their

working lives, from how they are perceived by recruiters to completing a performance appraisal, to being promoted or fired. When students ask "What's In It For Me?", the Fifth Canadian Edition will show them just how relevant HRM is to them as people, employees and eventually managers. This easy to read and relevant 11 chapter human resource management text is ideal for a one-semester course. Steen/Noe balances theory with practical application and rich examples that support the need for foundational HRM, thought leadership and applied insight necessary to perform and thrive in organizations today.
