I'm Launching 12 Startups in 12 Months - Pieter Levels

To make a book, place 3 papers and 1 leather in the 3x3 crafting grid. When making a book, it is important that the papers and leather are placed in the exact pattern as the image below.

In the first row, there should be 1 paper in the first box, 1 paper in the second box, and 1 paper in the third box. In the second row, there should be 1 ...

This Guy Is Launching 12 Startups in 12 Months | WIRED

Level A books typically have predictable language patterns, high frequency words that are used over and over, and a single line of text per page. Level B . Level B books are very similar to A books, but they may have two lines of text on a page. There is a direct correspondence between the text and the pictures; the print is clear and easy to read.
