one perfect life wasn't enough. So he pretended to be an attorney, then a CIA agent. And he secretly married another woman. He juggled it all quite well—until the day his two wives found out about each other. Miller groped for ways to hold on to his finances and reputation. But when he tried using a gun to silence his second wife, his carefully constructed facade of power and wealth exploded. A New York Times–bestselling author and former Los Angeles Times reporter chronicles the marriage between a Christian woman and an ex-con that ends in murder. When Carol Montecalvo began writing to a man in prison through a program at her church, she considered it her Christian duty. But the letters soon became her lifeline, something she actually looked forward to sending and receiving. She fell in love with the man behind the letters and just before Dan was released, they wed in the prison chapel.

Their marriage lasted nine years, until the fateful night when Dan stoically called 911 to report his wife's murder. With a half-million dollar insurance policy riding on his wife's death, and a string of adulterous affairs in his past, Dan is the most obvious suspect. But is this former felon really guilty? Or could he actually be a grieving widower, in the wrong place at the wrong time? In this powerful true crime account of the gruesome murder and sensational trial that followed, New York Times-bestselling author Karen Kingsbury weaves an emotional story that leaves readers guessing until the

A story of childhood and watching children grow up and how the years fly by too fast.

The #1 New York Times bestselling author of The Baxter Family novels shares a short, inspiring story about her family and the importance of faith. I Can Only Imagine is the first e-short in Karen Kingsbury's The Rest of the Story series. In it, Karen shares personal anecdotes about herself and her family, highlighted by her relationship with her late brother Dave. With heartfelt grace,

Online Library Missys Murder Karen Kingsbury

she describes Dave's struggles with addiction and his troubled journey toward redemption. It's a touching and intimate reminder that God is close to the brokenhearted, and that He calls each of us to love well, laugh often, and find true life in Jesus Christ.

"I don't write this book as a condemnation or as a sermon. The last thing I want to do is provide a 'how to be the best Christian in ten easy steps' guide. I pen these words as a fellow struggler who is learning that what we think about God matters, how we allow Him to reign in our hearts matters, and how we obey

Him in the moment matters. It all matters. Everything.” Author and speaker Mary DeMuth has been abused, foreclosed, abandoned, and betrayed. She has been pressed and drained till it was too much . . . But it was just enough to bring her to a place of surrender, piece by precious piece. In that surrender, she found the freedom of giving everything to God. And through Scripture, community, and the work of the Holy Spirit, she gives it all over again, every day. In this gentle and challenging book, DeMuth describes the process and the nuances that shape us to be more like Christ. Her words are clear,

Online Library Missys Murder Karen Kingsbury

vulnerable, and thought provoking, and every chapter is infused with Scripture. Most of all, DeMuth provides personal and practical evidence that there is no greater pursuit than Christ. We must surrender everything, but it does not compare to the Everything He is, the Everything He gives.

The chilling autobiography of the notorious female serial killer who was recently the subject of a two-hour Investigation Discovery special. Between 1989 and 1990, Aileen Wuornos, a hitchhiking prostitute, shot,

killed, and robbed seven men in remote Florida locations. Arrested in 1991, she was condemned to death on six separate counts and executed by lethal injection in 2002. An abused runaway who turned to prostitution to survive, Wuornos has become iconic of vengeful women who lash out at the nearest target. She has also become a touchstone for women's, prostitutes', and prisoners' rights advocates. Her story has inspired myriad books and articles, as well as the 2003 movie *Monster*, for which Charlize Theron won an Academy Award. But until now, Wuornos's uncensored voice has never been heard. Dear

Dawn is Wuornos's autobiography, culled from her ten-year death row correspondence with beloved childhood friend Dawn Botkins. Authorized for publication by Wuornos and edited under the guidance of Botkins, the letters not only offer Wuornos's riveting reflections on the murders, legal battles, and media coverage, but go further, revealing her fears and obsessions, her rich humor and empathy, and her gradual disintegration as her execution approached. A candid life story told to a trusted friend, *Dear Dawn* is a compelling narrative, unwaveringly true to its source. "It is both empowering and

heartbreaking, because Wuornos represents the fury of a wronged girl-gone-wild, whose rage was unleashed on men.” –The Rumpus “Condenses ten years of obsessive correspondence into a fragmented, sometimes funny, sometimes nightmarish, often paradoxical portrait of Wuornos.” –Muzzle Magazine
