Amanda Hocking's My Blood Approves is sort of a Vampire Diaries meets Twilight. There's vampire family love, there's two irresistible vampire bros the girl is caught between and yet it was still a rather good read! As you know I'm not really a Twilight fan, but I wasn't disgusted or annoyed with this book at all.

What struck me most about the latest in the My Blood Approves series is the evolution of Alice. She is at the heart of Wisdom. The title is appropriate - for she is growing in it herself. Wisdom seemed to me to be a bit deeper than the past three books - more introspective, with more character growth than any other in the series.

Being undead doesn't make life any easier for Alice Bonham. Her younger brother's love life is heating up, while hers is... more complicated. Mae is falling apart, her best friend Jane is addicted to vampire bites, and if Alice doesn't get her bloodlust under control, someone will end up dead. Alice volunteers for a rescue mission with Ezra. But going up against a pack of rabid vampires might be too much, even for him.
