Carolina plantation on which he was born a slave. He takes with him only a few stolen coins, a knife, and the clothes on his back--no shoes, no map, no clear idea of where to head, except north, following a star that he prays will be his guide. Hiding during the day and running through the night, Jonah must elude the men sent to capture him and the bounty hunters out to claim the reward on his head. There is one person, however, who, once on his trail, never lets him fully out of sight: Angel, herself a slave, yet with a remarkably free spirit. In Jonah, she sees her own way

to freedom, and so sets out to follow him. Bristling with breathtaking adventure, Chasing the North Star is deftly grounded in historical fact yet always gripping and poignant as the story follows Jonah and Angel through the close calls and narrow escapes of a fearsome world. It is a celebration of the power of the human spirit to persevere in the face of great adversity. And it is Robert Morgan at his considerable best.

Uncommon Schools) shows leaders how they can raise their schools to greatness by following a core set of principles. These seven principles, or "levers," allow for consistent, transformational, and replicable growth. With intentional focus on these areas, leaders will leverage much more learning from the same amount of time investment. Fundamentally, each of these seven levers answers the core questions of school leadership: What should an effective leader do, and how and when should they do it. Aimed at all levels of school leadership, the book is for any

In a world of constant change and complexity, how can we achieve lasting transformation in our lives? Using the wisdom of the Enneagram, expert teacher Suzanne Stabile opens the concept of three Centers of Intelligence: thinking, feeling, and doing. When we learn to manage these centers in relation to our Enneagram number, we open a path to reducing fear, improving relationships, and finding wholeness.
