Postcards From Tomorrow Square Reports

Post Cards From Tomorrow Square; Reports From China. James Fallows, 2009 Reviewed by Graham Mulligan Fallows is the Atlantic Monthly correspondent for China. In his introduction to the book he categorizes some of the collection of essays as 'policy' oriented explorations of the tremendous variety of cultural developments that so frequently lead Western observers to take positions about 'China' as though it were one, indivisible reality.

Postcards from Tomorrow Square (??)

The China conveyed in "Postcards From Tomorrow Square" is a universe unto itself, in which enormous variety is found, where most Chinese are much better off than two or three decades ago, a China...

'Postcards From Tomorrow Square'

Postcards From Tomorrow Square is an interesting and easy read filled with humanity as he writes about his experiences throughout China. The book makes numerous and insightful references to "Great Firewall" of China referencing the somewaht haphazard filtering of the western Internet to domestic populations. The author, James Fallows, provides contemporary factual data in the context of humanistic stories of the attempts at modernization and its new semi-capitalisitic economy.

Amazon.com: Customer reviews: Postcards from Tomorrow ...

/Postcards from Tomorrow Square/ is a collection of essays originally published in The Atlantic Monthly. Fallows (Blind into Bagdad) spent two years living in China, immersing himself in the culture. These essays cover a range of topics, but all provide a deep insight into the changes and challenges facing China as it becomes a world power and the rest of the world in responding to those changes.

Praise For Postcards from Tomorrow Square: Reports from China... "In a series of sharply observed essays, James Fallows gives us a top-notch primer on contemporary China. Wisely eschewing the easy view from Beijing, he takes us to the factories and export zones that have turned China into an economic powerhouse, the fantasy world of a megalomaniacal Chinese robber baron and the nether world ...
