Xhea has no magic. Born without the power that everyone else takes for granted, Xhea is an outcast—no way to earn a living, buy food, or change the life that fate has dealt her. Yet she has a unique talent: the ability to see ghosts and the tethers that bind them to the living world, which she uses to scratch out a bare existence in the ruins beneath the City ' s floating Towers. When a rich City man comes to her with a young woman ' s ghost tethered to his chest, Xhea has no idea that this ghost will change everything. The ghost, Shai, is a Radiant, a rare person who generates so much power that the Towers use it to fuel their magic, heedless of the pain such use causes. Shai ' s home Tower is desperate to get the ghost back and force her into a body—any body—so that it can regain its position, while the Tower ' s rivals seek the ghost to use her magic for their own ends. Caught between a multitude of enemies and desperate to save Shai, Xhea thinks herself powerless—until a strange magic wakes within her. Magic dark and slow, like rising smoke, like seeping oil. A magic whose very touch brings death. With two extremely strong female protagonists, Radiant is a story of fighting for what you believe in and finding strength that you never thought you had. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Once, Xhea ' s wants were simple: enough to eat, safety in the underground, and the hit of bright payment to transform her gray-cast world into color. But in the aftermath of her rescue of the Radiant ghost Shai, she realizes the life she had known is gone forever. In the two months since her fall from the City, Xhea has hidden in skyscraper Edren, sheltered and attempting to heal. But soon even she must face the troubling truth that she might never walk again. Shai, ever faithful, has stayed by her side—but the ghost ' s very presence has sent untold fortunes into Edren ' s coffers and dangerously unbalanced the Lower City ' s political balance. War is brewing. Beyond Edren ' s walls, the other skyscrapers have heard tell of the Radiant ghost and the power she holds; rumors, too, speak of the girl who sees ghosts who might be the key to controlling that power. Soon, assassins stalk the skyscrapers " darkened corridors while armies gather in the streets. But Shai ' s magic is not the only prize—nor the only power that could change everything. At last, Xhea begins to learn of her strange dark magic, and why even whispers of its presence are enough to make the Lower City elite tremble in fear. Together, Xhea and Shai may have the power to stop a war—or become a weapon great enough to bring the City to its knees. That is, if the magic doesn't destroy them first. From the Newbery Medal–winning author of The Hero and the Crown: the story of a princess who flees her father ' s unwanted attention and finds an unexpected new life. Princess Lissla Lissar is the only child of the king and his queen, who was the most beautiful woman in seven kingdoms. Everyone loved the splendid king and his matchless queen so much that no one had any attention to spare for the princess, who grew up in seclusion, listening to the tales her nursemaid told about her magnificent parents. But the queen takes ill of a mysterious wasting disease and on her deathbed extracts a strange promise from her husband: " I want you to promise me . . . you will only marry someone as beautiful as I was. " The king is crazy with grief at her loss, and slow to regain both his wits and his strength. But on Lissar ' s seventeenth birthday, two years after the queen ' s death, there is a grand ball, and everyone present looks at the princess in astonishment and whispers to their neighbors, How like her mother she is! On the day after the ball, the king announces that he is to marry again—and that his bride is the princess Lissla Lissar, his own daughter. Lissar, physically broken, half mad, and terrified, flees her father ' s lust with her one loyal friend, her sighthound, Ash. It is the beginning of winter as they journey into the mountains—and on the night when it begins to snow, they find a tiny, deserted cabin with the makings of a fire ready-laid in the hearth. Thus begins Lissar ' s long, profound, and demanding journey away from treachery and pain and horror, to trust and love and healing.

"Leake weaves together a beautifully rendered historical setting, magic and romance in this stunning debut." —Elizabeth May, author of The Falconer Amid the sumptuous backdrop of the London season in 1905, headstrong Katherine Sinclair must join the ranks of debutantes vying for suitors. Unfortunately for Katherine, she cannot imagine anything more loathsome—or dangerous. To help ease her entrance into society, Katherine ' s family has elicited the assistance of the Earl of Thornewood, a friend and London ' s most eligible bachelor, to be her constant companion at the endless fetes and balls. But upon her arrival in London, Katherine realizes there will be more to this season than just white gowns and husband hunting. Through her late mother ' s enchanted diary, Katherine receives warning to keep hidden her otherworldly ability to perform arcana, a magic fueled by the power of the sun. Any misstep could mean ruin—and not just for her family name. The Order of the Eternal Sun is everywhere—hunting for those like her, able to feed on arcana with only a touch of the hand. But society intrigue can be just as perilous as the Order. The machinations of the fashionable elite are a constant threat, and those who covet Katherine ' s arcana, seeking the power of her birthright, could be hiding behind the facade of every suitor—even the darkly handsome Earl of Thornewood. With so much danger and suspicion, can she give her heart to the one who captivates her, or is he just another after her power? But another crucial journey is being undertaken. At his side is Tarsha Kaynin, a young woman gifted with the wishsong and eager to be schooled in its formidable power by a master. She, too, is pursuing a mission: to locate her wayward brother, whose own magic has driven him to deadly madness and kindled his rage for vengeance. . . .against his sister. In their darkest hours, facing dangerous adversaries, the lives and quests of Dar Leah, Drisker Arc, and Tarsha Kaynin will be inextricably drawn together. And the challenges each confronts will have resounding consequences for the future of the Four Lands.
