Holiday on the beaches of sunny Greece? Check. Time with a gorgeous wealthy hunk? Check. Thinking that my hot billionaire chapter ended after leaving Greece? Check again! All I wanted was to feel the sun on my face and sand in my toes. I wasn't looking to mess around. I didn't even ask for his name. But those rock hard abs and chiseled body are hard to resist. That was the end of that. Or so I thought.... Until I saw my dreamy-eyed hottie with his wry smile back in LA. My new next door neighbor... Liam. Jaw, meet floor. Floor, meet jaw. But there's a reason why he's back in my life. He's confident. He's reckless. And he's trapped. In building an empire controlled by his family. It's okay though. Nothing like a fake engagement to take the pressure off. But what happens when this pretend arrangement becomes real love?

Margot has a hot temper, sassy ways, and a curvy body to die for. When she catches her Mr. and Mrs. Jones next door doing the dirty deed, she's titillated. Mr. Jones has the chiseled physique of a god, but of course, he's off-limits because he's married. The best Margot can hope for is a saucy wink from her gorgeous neighbor every now and then. Dane Jones has been a faithful husband for over a decade, but after his wife tells him that she doesn't want babies, he's done. He's a single man now, and as free as a bird. His cute, curvy neighbor is exactly what he's looking for when it comes to wild loving and even hotter nights. But when his ex-wife comes back claiming she's pregnant, he's torn between two worlds: his past with his ex and a future with the curvy girl who's claimed his heart. Hey Readers - I'm known for over the top stories, and this one delivers! We're back with an alpha male who's utterly POSSESSIVE, and a curvy girl with fire and sass. Watch as Margot and Dane tear up the sheets in this emotional and dramatic story. As always, there is no cheating and no cliffhangers. Always an HEA. You'll love it, I promise! Xoxo, Cassie

Jay is the hot new neighbour that Chrissy couldn't help but fantasize about. Being eighteen years old, and filled out in the right places, she believes that it was time to break her virginity with her hot neighbour. Making plans to do it before she goes off to college, she thinks of possible ways to get him to notice her and into her bed but nothing seems to work. What's that saying? All good things come to those who wait. Presented with an opportunity to finally get her wish, she goes for the win. Clothes are flying, moans rising, feelings are emitted. Things are going well for them both but what happens when it's time for her to go to college? Will they be able to overcome the obstacle of her going away and come up with a solution? Or will they fall into submission and

break apart?

He's sexy. He's dangerous. He's right next door. I gave up everything to save my sister from a monster, and now I'm lying low in this rundown apartment so I can stay out of danger. Hiding from everyone. Except for the guy in apartment 1A. He's rude. Silent. Muscled, mysterious, and hot as hell. I don't know if he likes me or hates me, but the more time I spend with him, the less it matters. I want him. And for the first time in my life I'm going to go after what I want. She doesn't belong in my world. From the second 1B moves in, I know she's keeping secrets. She doesn't belong here, much less with a street fighter like me. But that doesn't stop me from craving her. Her softness and sweetness. She's a drug, and suddenly I'm addicted. I know someone is going to try and hurt her and I can't let that happen. But unless I push her away and get her out of my world, that someone could be me...

Super Rabbit Boy must travel back in time to stop King Viking!

In a taut psychological thriller filled with breathtaking twists, Joseph Souza explores the tangle of betrayal and deception between two neighboring couples, and asks how well we can really know others—or ourselves. It all seems so promising at the start . . . When Leah and her husband, Clay, move from Seattle to Maine, she envisions a vibrant new neighborhood packed with families—playmates for her twins, new friends she can confide in and bond with. But while Clay works long hours to establish his brewery, Leah is left alone each day in a nearly deserted housing development where the only other occupants are aloof and standoffish. Bored and adrift, Leah finds herself watching Clarissa and Russell Gaines next door, envying their stylishly decorated home and their university careers. But Leah's obsession with the intriguing, elegant Clarissa grows until she's not just spying from afar but sneaking into their house, taking small objects . . . reading Clarissa's diary. It contains clues to a hidden turmoil Leah never guessed at—and a connection to a local college girl who's disappeared. The more Leah learns about Clarissa, the more questions emerge. Because behind every neighbor's door there are secrets that could shatter lives forever . . . “ The Neighbor is like watching a chain-reaction car wreck happening in slow motion. Scary and disturbing with dark psychological twists and turns, it horrifies while it fascinates. I couldn't turn away! ” —Lisa Jackson, # 1 New York Times bestselling author

A STANDALONE NOVEL that does NOT need to be read in conjunction with any other book. From New York Times bestselling author, Penelope Ward, comes a friends-to-lovers story with sexy new characters. After getting dumped, the last thing I needed was to move next door to someone who reminded me of my ex-boyfriend, Elec. Damien was a hotter version of my ex. The neighbor I'd dubbed “ Angry Artist ” also had two massive dogs that kept me up with their barking. He wanted nothing to do with me. Or so I thought until one night I heard laughter coming through an apparent hole in my bedroom wall. Damien had been listening to all of my phone sessions with my therapist. The sexy artist next door now knew all of my deepest secrets and insecurities. We got to talking. He set me straight with tips to get over my breakup. He became a good friend, but Damien made it clear that he couldn't be anything more. Problem was, I was falling hard for him anyway. And as much as he pushed me away, I knew he felt the same...because his heartbeat didn't lie. I thought my heart had been broken by Elec, but it was alive and beating harder than ever for Damien. I just hoped he wouldn't shatter it for good. Author's note – Neighbor Dearest is a full-length standalone novel.

Sure, it might not be completely unfair to call Michael Anderson a "control freak". It's helped him in business—he's the CEO of Anderson Enterprises, after all. But he's trying to learn to let loose just a tiny bit. Still, he's not quite sure why his therapist thinks dogsitting will fix anything? Especially since Michael and this particular canine share a kind of mutual loathing. To make matters worse, his new next door neighbor keeps disrupting his peace—and his dates—by blasting the worst possible music at the worst possible times. Artist and free spirit Mia Argaropolis just landed the perfect gig to complement her career as an art therapist and her preference for living a nomadic life: housesitting in the Upper West Side. Too bad the guy next door is an arrogant stick in the mud with a penchant for calling security whenever she tries to drown out the noises coming from his side of the wall. Suddenly, all in one day, Mia finds herself fighting for survival in unbearable situations. First, her dinner rolls go apocalyptic and try to take out the whole kitchen. Then her douchebag ex shows up out of the blue, her bathtub overflows, and she's attacked by a Shih Tzu with the personality of Godzilla. When Mia's uptight neighbor steps in as her unlikely hero and unplanned fiancé (wait, what?), she's not sure how much stranger this day could get. Each book in the Anderson Brothers series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 Sleeping with the Boss Book #2 Neighbors with Benefits Book #3 Chance of a Lifetime

Fresh out of a failed engagement, Olivia Hales is in dire need of a fresh start. Tired of being the charming and accommodating girl that always gets stomped on, she's determined to change her outlook on life. When she finds her dream job in a small town in California, she thinks she's finally found her place in life. That is, until she meets her new neighbor. Roman Banks. Moody. Foul-mouthed. Jerk. And the hottest man on the planet. At a sprawling six foot five, he was coldly distant and physically intimidating. Not only was her new neighbor a God that was good with his hands, he was also a grade-A jerk. Trapped on the same street, sharing the same space together, they've become entrenched in an addictive, ridiculous, never-ending game of insults and pranks that result in the destruction of two perfectly good homes. The tension between them is as thick as the walls of their houses are thin. Roman's touch burned like fire even when his words were ice, and both of them will stop at nothing to make the others life hell. In the midst of the pranks and the hate they harbor for each other, Olivia slowly pulls back the layers of the man next door and finds herself consumed with wanting to fix him and his past. When both enemies start to catch feelings for each other, Olivia finds herself hiding her own secrets, not wanting to lose another man in her life. Lines are drawn. Strict rules put into place. But that doesn't stop Olivia from wanting to save the quiet, broody man next door. They say you're supposed to love thy neighbor, but that was the furthest emotion she felt when thinking about Roman. Hate was all there was to their relationship. At the very least, that's what she tried to tell herself. Hate Thy Neighbor is a full length Enemies-to-Lovers standalone.

This HOT AND NAUGHTY volume collects the first 3 'Good Neighbors' stories, in which frustrated young men get their hands on their sexy older neighbors!
