I like the way David Baldacci writing but this book, Saving Faith, was NOT one of his best works. The END GAME was the worst I've read from him. In this book Will Robie, starts the book with professionalism and excitement and the book changes to a unprofessional operatives, who reminds me of "the blind leading the blind."

But David Baldacci's Saving Faith successfully fuses elements from both of these chart-busters in this political thriller spiced with techno-wizardry. The villain is a classic spy caricature: cold-war CIA super-patriot Robert Thornhill wants to reclaim the glory days of the Central Intelligence Agency--when money flowed like the Mississippi during a flood, and the FBI watched helplessly from the sidelines.
