His journey to find the lost boy takes Dani over the seas to the sleepy Italian island of Capri - a place infused with a kind of hazy magic, which begins to conjure up in Dani's mind long-forgotten memories of his own childhood. Reviews: « Albert
Espinosa lives exclusively
in his imagination. He
uses it to write, to direct
plays and films and to
act. His sense of humour
is as special as his way of
living. An optimism as

Teresa Cendrós, El Periódico « If there's one ability Espinosa has had in all of his multifactorial creations it's his capacity to stand in other people's shoes.
