Leaving was the only solution her parents believed might allow them to keep their family together and alive. The Adisons have been running from a sect of iniquitous beings from Nemele who covet Jacey. Her parents have repressed their adversaries' relentless tracking efforts by not utilizing their own mystical powers. They have chosen to conceal themselves within the only realm they knew they'd be able to survive. They are living under their self-imposed powerless sanctions on Earth, which constitutes the nineteenth nation of Nemele.
