British television. The
Orchestra debuted on 5
January, 1937, hosted by
Philip Thornton. The
series discussed the
different instruments of a
symphony orchestra. It
aired in a 20-minute time-
slot.

Families. When we talk
about musical
instruments, we often
talk about them as being
part of a family. That's
because, just like in
human families, the
instruments in a
particular family are
related to each other.
They are often made of
the same types of

A modern orchestra consists of four sections or families of instruments. The string section is the most important part of a symphony orchestra. It has more than half of the musicians and consists of violins, violas, cellos and string basses. The violinists play high sounds and are divided into two groups.
