Your presence is the driving force behind the procedurally populated environment amble through a dream-like forest, aquatic caves and peaceful shores.

Shape of the World on Steam

Shape of the World is an ephemeral first-person exploration game where the world grows around you in a procedurally populated environment. Exploration is about intentionally getting lost and the joy of being found again. Your presence is the driving force behind the evolving environment as you establish permanent monuments to mark your way.

Game — Shape of the World

While this topic may sound dry, The Shape of the World is ultimately fascinating, especially as narrated by Patrick Stewart of Star Trek fame. Produced in consultation with the British Library and the Royal Geographical Society, the series functions like a college course: episodes are broken up chronologically and thematically and there 's even a 20-page supplementary booklet that asks pertinent questions about each show.
