— The Walking Dead — Season 11 Trailer Reveals A New Comic Book Character

The fourth book and epic finale to Robert Kirkman’s New York Times bestselling series: The Walking Dead: The Fall of the Governor — Part Two! The Walking Dead original novel series, set in the universe of Robert Kirkman’s iconic comic book, comes to a shattering conclusion with The Fall of the Governor — Part Two. From co-authors Kirkman, creator of the Eisner Award-winning comic as well as executive producer of AMC’s blockbuster TV series, and Jay Bonansinga, Stoker Award-finalist and internationally acclaimed author, comes this stunning finale to their ambitious chronicle of human survival amid the plague of undead, which began with The Walking Dead: Rise of the Governor. In Rise of the Governor, uber-villain Philip Blake journeyed from his humble beginnings directly into the dark heart of the zombie apocalypse, and became the self-proclaimed leader of a small town called Woodbury. In The Road to Woodbury, an innocent traveler named Lilly Caul wound up in the terrifying thrall of Phillip Blake’s twisted, violent dictatorship within Woodbury’s ever tightening barricades. In The Fall of the Governor — Part One, Philip Blake finally revealed himself to be the true monster that he is, and the battle lines were drawn between the Governor and the desperate, beleaguered inhabitants of a nearby prison. Now, in The Fall of the Governor Part Two, the Governor’s dark journey reaches its shocking, heartrending conclusion. In a roller coaster finale, war breaks out, all of the plot lines from the previous three novels converge, tensions boil over into unthinkable mayhem, and the dark destinies of those few left standing are sealed in a series of stunning twists.

Chronicles the continuing story of Rick Grimes and his group of survivors, from their struggle to survive after a prison raid, to finding short solace in The Community, and the devastation that follows.

Police officer Rick Grimes and a few human survivors battle hordes of decomposing zombies.

It always comes down to this: At any moment, a zombie could leap out of the shadows and end your life. At last, it seems like there is a cause that unites mankind to end all our petty squabbles. But no. It’s never that simple. Now Rick has a gun to his head.

Written by Jay Bonansinga, based on the original series created by Robert Kirkman, The Walking Dead: Descent follows the events of The Fall of the Governor, and Lilly Caul’s struggles to rebuild Woodbury after the Governor’s shocking demise. Out of the ashes of its dark past, Woodbury, Georgia, becomes an oasis of safety amidst the plague of the walking dead — a town reborn in the wake of its former tyrannical leader, Philip Blake, aka The Governor. Blake’s legacy of madness haunts every nook and cranny of this little walled community, but Lilly Caul and a small ragtag band of survivors are determined to overcome their traumatic past... despite the fact that a super-herd is closing in on them. This vast stampede of zombies, driven by inexorable hunger and aimed directly at Woodbury, becomes their first true test. But Lilly and company refuse to succumb, and in a stunning counteroffensive, the beleaguered townspeople save themselves by joining forces with a mysterious religious sect fresh from the wilderness. Led by an enigmatic preacher named Jeremiah, this rogue church group seems tailor made for Woodbury and Lilly’s dream of a democratic, family-friendly future. The two factions meld into one, the town prospers, and everything seems hopeful for the first time since the plague broke out. But things — especially in the world of the walking dead — are often not what they seem. Jeremiah and his followers harbor a dark secret, the evidence of which very gradually begins to unravel. Along with a popular TV show also based on Kirkman’s AMC comic books, The Walking Dead franchise is just getting better and better with Bonansinga’s newest novel. In a stunning and horrifying finale, the world for Lilly and her close friends is turned upside down, and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate. These novels continue to be a great companion for fans of the television series and graphic novels!

In the last volume we learned that no one is safe. Now after the staggering losses they’ve sustained, Rick and Carl are left to pick up the pieces and carry on... knowing that they could join their fallen friends and family at any moment. Collects issues 49-54.

Tegneserie. Efter at have ligget i koma er betjent Rick Grimes v å gnet til en totalt forandret verden, stort set kun befolket af menneskeædende zombier. Hans ø rste tanker gælder hans familie

During the darkest days of the Civil War, wicked outthroats came into possession of six pistols of otherworldly power. In time, the Sixth Gun, the most dangerous of the weapons, vanished. When the gun surfaces in the hands of an innocent girl, dark forces reawaken. Vile men thought long dead set their sights on retrieving the gun and killing the girl. Only Drake Sinclair, a gunfighter with a shadowy past, stands in their way. But the guns have a power... and a destiny... more terrifying than anyone imagines! This deluxe edition collects the first 11 issues of the smash hit series, THE SIXTH GUN, in a massive, new, oversized format jammed with extras and bonus features, including never-before-seen pitch artwork, cover gallery, and the previously web-exclusive Christmas yarn, "Them's What Ails Ya!"

The epic tale of survival continues as Rick and crew find another possible shelter. This place is perfect: It’s secure, it’s large, it has nearly everything they could ever need. Only problem is, it’s already got dead tenants...lots of ‘em.

A conclusion to the trilogy that began with Rise of the Governor and The Road to Woodbury follows an epic showdown between evil governor Philip Blake and Rick Grimes. Co-written by the Bram Stoker-nominated author of The Black Mariah. TV tie-in.
