INTRODUCTION The demand for a miniature all position diaphragm carburetor prompted Tillotson to design and develop the "HS" series. This small compact unit, only a 1-1/2 inch cube, is versatile in application because of its lightweight and compact size. Even though the carburetor is extremely minute, it still comprises a self-contained fuel pump and filtering []

The Tillotson carburetor is used on small engines designed primarily for go-carts. You can adjust the carburetor in just a few minutes. The carburetor uses a low-speed and high-speed set screw that you can adjust fairly easily with just a screwdriver. The high-speed set screw includes a "T" on the end, allowing you to adjust the screw by hand. Step 1. Locate the idle set screw at the very ...

With the help of the Clymer Snowmobile Service Manual 11th Edition in your toolbox, you will be able to maintain, service and repair your snowmobile to extend its life for years to come. Clymer manuals are very well known for their thorough and comprehensive nature. This manual is loaded with step-by-step procedures along with detailed photography, exploded views, charts and diagrams to enhance the steps associated with a service or repair task. This Clymer manual is organized by subsystem, with procedures grouped together for specific topics, such as front suspension, brake system, engine and transmission. It includes color wiring diagrams. The language used in this Clymer repair manual is targeted toward the novice mechanic, but is also very valuable for the experienced mechanic. The service manual by Clymer is an authoritative piece of DIY literature and should provide you the confidence you need to get the job done and save money too.

Previously published as one volume under same title.

Detailed tips on periodic servicing, troubleshooting, general maintenance and repair are explicitly outlined in this manual. Repair is easy with the specifications and step-by-step repair procedures included for hundreds of models. Volume II covers models with 30hp and above.

Includes Part 1, Number 1: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - June)
