Guidelines 18th Edition

SEATTLE, Wash., March 3, 2020 – MCG Health, part of the Hearst Health network and a leading provider of informed care strategies, announces the release of its 24th edition of evidence-based care guidelines. Many new additions to MCG solutions were driven by the healthcare industry's move to value-based care and include new and updated tools for payers and providers to better leverage available scientific evidence through MCG clinical content.

18th Edition

Care guidelines from MCG provide fast access to evidence-based best practices and care-planning tools across the continuum of care, supporting clinical decision-making and documentation as well as enabling efficient transitions between care settings. Data analysis provides insight into critical benchmarks such as length of stay, re-admissions, and skilled nursing facility/inpatient rehabilitation admission rates.
