Casper Quinn has a secret. Brant Mitchell has two. Hickory Ditch, Arkansas | July 2012 Popular fried chicken chain Wings of Glory is under attack from homosexual activists, and Harvest Mission Pentecostal Church is ready to fight back. Caught in the crossfire of a culture war in which they never enlisted, Casper and Brant will each have to find his own answer to the age-old question: Am I really what I eat? Because if they could find the courage to tell each other their truths, they might discover there really is life after the Ditch. CHICKEN is a Southern Gothic YA novel with an infusion of magical realism. It's a raw, honest, sometimes funny, sometimes poignant look at falling in love in a place where angels and demons are believed in without question, but the human heart is always subject to suspicion.

Now a classic, this is the fundamental text for those seeking a "Spiritual Understanding of Nature on the Basis of Goethe's Method of Training Observation and Thought." Working out of a detailed history of science, Lehrs reveals to the reader not only how science has been inescapably led to the illusions it holds today, but more importantly, how the reader may correct in himself these misconceptions brought into his world view through modern education.

#1 NEW YORK TIMES BESTSELLER | ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama (guides us straight to the intersection of the most serious questions of identity, class, and race) (The Washington Post Book World). (Quite extraordinary.)(Toni Morrison In this lyrical, un sentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father's figure he knows more as a myth than as a man has been killed in a car accident. This sudden death inspires an emotional odyssey: first to a small town in Kansas, from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for Dreams from My Father (Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's The Color of Water and Gregory Howard Williams's Life on the Color Line as a tale of living astride America's racial categories.)(Scott Turow (Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.)(The New York Times Book Review (Obama's writing is incisive yet forgiving. This is a book worth savoring.)(Alex Kotlowitz, author of There Are No Children Here (One of the most powerful books of self-discovery I've ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.)(Charlayne Hunter-Gault, author of In My Place (Dreams from My Father is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.)(Marian Wright Edelman

THE CLASSIC NATIONAL BESTSELLER "A wonderful, splendid book a book that should be read by every American, student or otherwise, who wants to understand his country, its true history, and its hope for the future." (Howard Fast Historian Howard Zinn's A People's History of the United States chronicles American history from the bottom up, throwing out the official narrative taught in schools with its emphasis on great men in high places to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, it is the only volume to tell America's story from the point of view of and in the words of America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As Zinn shows, many of our country's greatest battles the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, A People's History of the United States features insightful analysis of the most important events in our history. This edition also includes an introduction by Anthony Arnove, who wrote, directed, and produced The People Speak with Zinn and who coauthored, with Zinn, Voices of a People's History of the United States.

"Byrne ... considered that it might be easier to learn geometry if colors were substituted for the letters usually used to designate the angles and lines of geometric figures. Instead of referring to, say, 'angle ABC,' Byrne's text substituted a blue or yellow or red section equivalent to similarly colored sections in the theorem's main diagram."--Friedman.

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"--
