Religions in today's culture seem to be multiplying. Have you ever wondered why certain religions believe and practice what they do? Or how they view the Bible? This volume delves into these and other engaging questions, such as: How can a Christian witness to people in these religions? Do these other religions believe in creation and a Creator? How do we deal with these religions from a biblical authority perspective? Many religions and cults discussed in this first volume openly affirm that the Bible is true, but then something gets in their way. And there is a common factor every time--man's fallible opinions. In one way or another the Bible gets demoted, reinterpreted, or completely ignored. Man's ideas are used to throw the Bible's clear teaching out the window while false teachings are promoted. This book is a must for laymen, church leaders, teachers, and students to understand the trends in our culture and around the world where certain religions dominate, helping you discern truth and guard your faith. When you understand a religion's origins and teachings, you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions.

Nearly 1,000,000 copies sold! The #1 Cults and Religions comparison ebook on the market. Christianity, Cults & Religions will help you know what you believe and why! This ebook, which can be read in 30 minutes or less,

compares the beliefs of 20 world religions, cults, and new religious groups on the following topics: Who is God? Who is Jesus? What happens after death? How is a person "saved" and what is the spiritual goal? Many religious groups use the same terms but hold completely opposite beliefs. Christianity, Cults & Religions helps you understand the differences between the different beliefs and gives you a firm foundation for your own faith. Christianity, Cults & Religions takes a close look at: Christianity, Jehovah's Witnesses, Scientology, Judaism, Islam (Sunni and Shi'a), Nation of Islam, Unity School of Christianity, Buddhism, New Age, Hinduism, Mormonism (Latter-Day Saints), Wicca, Hare Krishna, Unification Church, Christian Science, Nichiren Shoshu Buddhism, Bahá'í World Faith, and Transcendental Meditation (TM). Researched by some of the top scholars in the field, Christianity, Cults & Religions is an excellent guide for study leaders who want to provide clear summaries of beliefs and practices. This ebook provides the most up-to-date comparison chart available and features more groups, including Scientology, Bahá'í, Wicca (associated with witchcraft and neopaganism), and Nation of Islam, that other comparative pamphlets may overlook. Christianity, Cults & Religions provides extensive comparisons of 20 groups, including the five major world religions. In side-by-side comparisons, the ebook addresses: "The key person or founder of the group" "The date and place it was founded" "The key writings such as the Bible, the Book of Mormon, the Qur'an (Koran), etc." "Who is God?" "Who is Jesus?" "Who is the Holy Spirit?" "What is salvation?" "What happens after death?" "Other facts, beliefs, and practices" The Christianity, Cults & Religions ebook is an excellent way to teach the key beliefs and practices of biblical Christianity and how it compares to other religions and cults. The ebook's concise nature makes it easy to see and understand how the religions and cults differ as well as what they may have in common. The ebook is a great resource for Bible study and missions classes. General editor: Paul Carden is a longtime specialist in the field of cults and new religions around the world. Executive Director of the Centers for Apologetics Research (CFAR), and general editor of Christianity, Cults & Religions. Former co-host of the nationwide "Bible Answer Man" radio program. Paul has devoted nearly 30 years of his life to cult-related research and outreach in Latin America, Africa, eastern Europe, and the former Soviet Union. In 1980, Paul joined the Christian Research Institute (CRI) under its founder, Walter Martin. For six of his fifteen years at CRI Paul served as a missionary in São Paulo, Brazil, and for six years he co-hosted the live, nationwide "Bible Answer Man" radio broadcast alongside Ron Rhodes, Robert M. Bowman, Jr., Kenneth Samples, and other noted apologists. During his time at CRI he was also the ministry's director of international outreach and a senior editor of the Christian Research Journal (1989-1995). The pamphlet also contains information that addresses how to become a Christian and what other groups may teach about Jesus with a verse-by-verse biblical response. Christianity, Cults & Religions is an excellent resource to carry with you. Groups on a tight budget may find participants willing to purchase their own copy of the Christianity, Cults & Religions pamphlet if budgets are tight. From Bruce Bickel and Stan Jantz, authors of Knowing the Bible 101, a trim, 45-page booklet is perfect for new believers, Christians who want a handy evangelistic tool, and churchgoers who are ready to rediscover the essentials of the Christian life. Readers will immediately connect with Bruce and Stan's honest, encouraging responses to questions new Christians often ask: What do I do next? Am I expected to follow some rules and regulations? What have I gotten myself into? Brief chapters on eternal security, new life in Christ, and the ministry of the Holy Spirit set the tone for this clear and compelling introduction to the faith. With their engaging, straightforward style, Bruce and Stan explain what God has done for humanity, what God wants people to do so they can know Him better, and how individuals can reflect the love of Christ to the world.

Free. Unearned. A gift. God's acceptance comes with no strings attached as you trust in His Son, Jesus. This is the whole gospel. But for 2000 years, Christians-including the first-century Galatians-have often believed they must add performance requirements to the gospel in order to truly earn God's approval. Listen in as the apostle Paul blows the lid off this selfdeception by explaining...: why the Good News becomes bad news when you mix it with rules, how to sniff out people who are promoting a false, "rules-added" gospel, why adding requirements to God's grace actually subtracts from your enjoying Christ, why trust is the only thing needed to receive God's grace and live in it day to day, Galatians shows you that life in God's Spirit, through His grace, is still His plan for freedom-so you can live out your full potential as His child. Book jacket.

The Bible starts with a bang. In the first few chapters it addresses life's most important questions. What is God like? Why am I here? How did it all begin? Where is it all going? This practical study provides: an overview of Genesis and its themes; everyday applications of the truths of Genesis; insightful explanations of creation, the origin of evil, and God's rescue plan; helpful answers to frequently asked questions; open-ended questions for group discussion or individual study. Genesis includes some of the Bible's most fascinating stories, colorful characters, and dramatic narratives. But more than that, Genesis also provides God's answers to life's ultimate questions. Book jacket.

This final book in the series focuses on the atheistic or humanistic type of religions. It would be one of the most valuable for the church in the Western World where anti-god and pro-evolution religions are beginning to explode, for it was written to refute those religions and show how they fail. Unlike most books on world religions, this title dives into the secular humanistic religions. The book starts with God's Word as the absolute authority. In doing so, God becomes our guide to refute false religions. Humanistic religions are all around us and we need to be able to spot their tenets and oppose them instead of allowing them to subtly infiltrate our Christianity and undermine us from within We need to know how to refute these humanistic religions We need to know how to effectively present the gospel to people who have been deceived by humanistic religions

With all of the different religions, sects, denominations, and belief systems out there, it can be difficult to separate the facts from mere opinion, especially if one is relying solely on online sources which may or may not be vetted and which often have an ideological or political slant to them. How can we truly understand if we cannot even be sure we are getting the facts straight? In this comprehensive resource, more than 75 evangelical scholars offer a thoroughly researched guide to Christianity, other world religions, and alternative religious views, including entries on movements, theological terms, and major historical figures. Perfect for pastors, students, and anyone who wants ready access to information on today's religious landscape.
